Ireland's first reference for plastic pipe, fittings and much more...

Delta Valves & Plastics Ltd have, since 1986, been supplying products into the Irish marketplace with a wide range of plastic pipe, fittings and accessories in a full range of thermoplastic materials PVC-U, cPVC, ABS, PE, PP-H, PVDF and more...

Our vision has always been the same, to be relative and responsive to our customers. We developed our current product range by listening to our customers' wants and needs and developing an understanding and product range to match.

Pipe, Valves & Fittings

Our plastic pipe & fittings range includes metric & imperial pipes, fittings, valves and accessories.

We have brought together world renowned manufactures, enabling us to offer one of the largest and diverse ranges of thermoplastic pipe systems from stock.

- PVC-U
- cPVC
- ABS
- Polypropylene
- Polyethylene
- PVDF
